

NEWSLETTER

October/November 2012

Dear INSHS Partner!

Hope you are well and get useful information from you regarding international projects. Let's hope that the communication and the cooperation activities between each other will keep on going with such an intensity like it the previous months.

Again and again we would like to remind you: The content of the Newsletter is and will be based mainly on the news which I will get from you: the Contact Persons, Board Members and the Sub - Group Chairs. We still need news regarding:

- **Erasmus mobility**
- **Research projects**
- **Erasmus Mundus Projects and other LLP projects, international grants**
- **Publication possibilities**
- **Scientific Events and Sport Events etc.**

in connection with your university. Please send these info not just to me, but also to Benjamin (benjamin.jaeger@st.ovgu.de) as well. Please feed us with information. Please, check the INSHS web page and contact us if you had any remarks or suggestions.

Unfortunately couple of the contact persons forgot to send us back the required documents:

- 1.) The **Joining Agreement** (signed by the responsible person on your university)
- 2.) The **Faculty Data Sheet** (with the email availabilities and academic background of your members of staff)

We are grateful for those who have already these back to us!

Regards:

Dr. Henriette Dancs, PhD

Head -Coordinator of INSHS and Editor of the Newsletter

INSHS issues:

1.) A **new interactive communication web platform** has been created which might support the internal communication of INSHS too. It will be introduced in Egypt and in Szombathely.

2.) We have started to collect information about the **potential change our network status to an association** like the General Assembly and the Board suggested and required in Opatija. I have consulted with lawyers regarding this issue. We can discuss the issue in Luxor and/or in Szombathely during the 7th INSHS International Christmas Sport Scientific Conference.

3.) We are going to have INSHS sub -groups meeting in Szombathely during the Xmas Conference!! This will be announced by Mike and Ingunn.

Request:

Benjamin and me keep updating the web page. I kindly ask the board members again to send a **photo** to about themselves. Benjamin will put it beside the names and contact availabilities.

Here is the email address of Benjamin. He is the person, who will update and the webpage of INSHS.

benjamin.jaeger@st.ovgu.de

Please send every information to me (**dancs@mnsk.nyme.hu**) too as well. I will put the information on the Newsletter too. We would be happy to get more information from the contact persons, sub-group chairs and board members. I kindly ask you to feed us with useful information regarding your university, your academic international activity, events etc. Thank you!

I have attached the latest updated **INSHS contact list** in September. I have not got any feed back about potential mistakes, so let's consider this as the last version. **Please let us clear: each university has one INSHS Contact Person, who represents his/her in the INSHS and vica verse!**

V. International Congress of REMH – Mexico:

<http://deportes.uabc.mx/congreso2012/new-page-2.html>.

As agreed INSHS is going **to contact** other **sport scientific networks** and universities from **non - EU countries** as well. This conference will provide the chance to cooperate with universities from Central-, and South America. We will inform you about the results of our meeting with the colleagues of REMH.

1st International Conference on Physical Education and Sports Sciences

(ICPESS-2012, India - November 16 - 18, 2012)

On behalf of the Department of Physical Health and Sports Education, AMU, Aligarh, I have great pleasure in inviting you to the 1st International Conference on Physical Education and Sports Sciences (ICPESS-2012, India). The Conference will be held at the Aligarh Muslim University, Aligarh, India, November 16 to 18, 2012.

The conference will feature different gamut of deliberations. The keynote address, the lead speeches, corporate talks, etc from the leaders in the profession. Over 300 oral and poster presentations from the original world class research from cutting edge science and technology, covering all aspects of the physical education, sport sciences and sports performance, interdisciplinary sport studies.

The keynote session will be of critical reviews of the most recent and key issues in Physical Education and Sports Sciences, with future directions in research and avenues for application(s) for improvement in the dimensions of the study areas.

The lead speakers will deliver on academic, scientific researches and sports performance, disseminating knowledge along with new concepts on the future of physical education and sports sciences such as exercise science and technology, sports training and coaching, sports psychology, sports business management, health promotion, leisure and recreation, tourism management, and other allied fields.

The Indian Parliament has passed a bill six years ago to constitute platform for education and scientific researches by the corporate India. This is the responsibility of both institutions and corporate sectors to work hand in glove. To fulfill the amendment of the passed bill, the ICPESS-2012, India has proposed to invite corporate India to enhance researches in Physical Education and Sports Sciences.

The corporate lead speakers will deliver on promotion of physical education and sport to the public, marketing of sports, element promotion of physical product or a brand name, relating to the fact as the sports are considered to be a service to people and nation as whole and contributes to healthy living for all ages.

For more details please visit the official website <http://icpess.co.in/> of the conference.
