

On officially headlined (logo) paper of the institute!
With mentioning the name of the higher education institute and the department concerned !

International Network on Sport and Health Science

J o i n i n g A g r e e m e n t

On behalf of the (higher education institute) we hereby certify that we are to cooperate in the work of the International Network on Sport and Health Science (INSHS). Hereby we declare to have read and accept its deed of foundation, its policy and the terms & conditions of joining.

With our cooperation we are to help INSHS in achieveing its main goals. The cooperation involves:

- teaching & training of sport- and health management professionals,
- university curriculum development,
- grants
- scientific and research activities,
- teacher and student mobility,
- operation of the relating website and its supply with information,
- exchange of professional/academic information and publications,
- scientific and sport events planning and organizing

In the INSHS network the
..... (institute) is represented by
.....
..... (contact person, institute, department, address, availability).

After signing and consigning the Joining Agreement the institution becomes a full member of the Network (INSHS). The institution undertakes the participation in general meetings, its expenses, as well as the inpayment of the membership fee of the network.

Opatija, March 2012.
