

NEWSLETTER

September 2012

Dear All!

Hope you have the chance to watch Paralympics too ! The new Academic year will start soon and let's hope that the communication and the cooperation activity between each other will have such an intensity like it was the case before the summer.

With respect I would like to remind you: The content of the Newsletter is and will be based mainly on the information which I will get from you: the Contact Persons, Board Members and the Sub - Group Chairs. We still need news regarding:

- **Erasmus mobility**
- **Research projects**
- **Erasmus Mundus Projects and other LLP projects, applications**
- **Publication possibilities**
- **Scientific Events and Sport Events etc.**

in connection with your university. Please send these info not just for me, but also for Benjamin (benjamin.jaeger@st.ovgu.de) as well. Please feed information us.

Please don't forget: running INSHS should be a team work, where I need your help (particularly the help of the Board) and cooperation continuously! A couple of you (The contact persons!!!) forgot to send me back the required documents:

- 1.) The **Joining Agreement** (signed by the responsible person on your university)
- 2.) The **Faculty Data Sheet** (with the email availabilities and academic background of your members of staff)

I have emailed to those contact persons, who has not sent these documents yet. Please send these back to me. Deadline: **end of September**. This is vital and the only requirement (!) to be a member of INSHS! Am grateful for those who have already sent me these back!

Regards:

Dr. Henriette Dancs, PhD
Coordinator of INSHS and Editor of the Newsletter

INSHS issues:

I started to collect information about the **potential change our network status turn to an association** like the General Assembly and the Board suggested and required. I have consulted with lawyers regarding this issue. Will inform you about it.

Requests:

- a. Benjamin and me have updated the web page. I kindly ask the board members to send a **photo** to about themselves. Benjamin will put it beside the names and contact availabilities.
- b. I have attached the latest updated INSHS contact list. Please, have a look in it and complete it or correct it if necessary. Please let us clear: who is the official Contact Person who represents her/his university in the INSHS!

Here is the email address of Benjamin. He is the person, who will update and the webpage of INSHS.

benjamin.jaeger@st.ovgu.de

Please send every information to me (**dancs@mnsk.nyme.hu**) too as well. I will put the info on the Newsletter too. We would be happy to get more information from the contact persons, sub-group chairs and board members. I kindly ask you to feed us with useful information regarding your university, your academic international activity, events etc. Thank you!

We have started to work on an interactive web platform called **SportProfNet** (SPN) which may help the communication between academics (staff) and students on the field of sport science. I hope to introduce it already in November.

NEWS:

The 1st Virtual International Conference on Advanced Research in Scientific Fields (ARSA-2012)

December 3 - 7, 2012

www.arsa-conf.com

Paper Submission Deadline: November 9, 2012

Author Notification: November 23, 2012

Final Manuscript Due: December 1, 2012

ARSA 2012: December 3 - 7, 2012

ARSA-conference 2012 (virtual conference) gives you a great opportunity to participate in the fully fledged, scientific and professional conference without personal participation. The ARSA Virtual Conference

will run continuously during December 3 to 7, 2012 at www.arsa-conf.com.

ARSA Virtual Conference is designed for all scientific groups.

The conference will bring the scientific debate among the scientists.

At the virtual conference, you have access to all articles in the conference at any time and can use virtual discussion with the author of any article at any time.

All conference articles will be reviewed.

Accepted articles will be published in the conference proceedings "Proceedings of the Virtual International Conference on Advanced Research in Scientific Fields 2012 with ISBN and ISSN."

Top rated papers will be sent for indexing in SCOPUS database.

Technical and scientific papers describing original, previously unpublished work are solicited in the areas of all scientific fields. Prospective authors are invited to submit papers in any of the following areas (not limited to):

- Business Management, Marketing
- Economy and Business Economics
- Public service, Law
- Financing and Accounting
- Psychology, Sociology and Pedagogy
- Art, Religion, History
- Natural science (mathematics, chemistry, biology, physics)
- Electronics, Electrical Systems, Electrical Engineering
- Industrial and Civil Engineering, Informatics and Information Technology

For further information, Please contact us for more information at info@arsa-conf.com.

V. International Congress of REMH - Mexico
